

Introducing **392**

from **BUNN**[®]

The **392** gourmet filter drip, pour-and-serve system takes just **3** minutes at **92°C** to brew 1.89 litres of perfect coffee consistently prepared to the Speciality Coffee Association of Europe (SCAE) Gold Cup standard. With its contemporary styling and ease of operation, the BUNN **392** is sure to become the new standard in coffee equipment.

At only 24.1 cm wide, the **392** provides maximum performance in a minimal amount of space. Two independently controlled warmers make it possible to always have coffee ready.

Includes pitcher and paper filters. Glass decanters sold separately.
